ShakaCode Coaching Plan

Updated January 26, 2017

We're thrilled that you're considering ShakaCode for coaching! Your support allows us to continue to invest time in our open source projects! Our base package is $1500, and that goes for up to 10 months of coaching.

Specialties

- React on Rails, our project, with over 2,300 stars and in many production systems!
- Pure JavaScript front-end projects using the React and Redux ecosystem
- React Native
- Ruby on Rails

Product

- Private Slack Room (or you can create one for our team members on your Slack) for questions with a 12-hour maximum time before responding. Typically, we'll respond within hours or minutes.
- Offline code reviews in pull requests.
- Live meetings via Zoom.us, Skype, Google Hangouts, Screen Hero, etc.
- Of course, we'll write code and submit pull requests.
- We'll share sample code from our production product https://www.friendsandguests.com/.

Billing

- We'll send you an invoice to pay with a credit card for $1500
- $150/hr is billed in 10-minute increments.
- The monthly minimum is 1 hour.

Notes

If you wish to engage us for a material amount of coding, our hourly rates range from $70 to $150 per hour.
